

# BCS is Holding a Geography Bee!

Students in grades 4-8 are eligible to participate.

The school-wide Bee will be held on Tuesday, January 10th.

The winner of the school Bee will take a written test to qualify for the National Geographic State Bee.

There will be a 2nd Quarter Choice Hour class, taught by Mr. Braisted, for students in grades 4–8 who wish to learn more about Geography and prepare for the Bee together. However, anyone in grades 4-8 can sign up for the Bee—students do not need to be in the Geography Choice Hour in order to participate in the Bee.

***The Bee is sponsored by National Geographic Society.***

More information about the Bee, online activities, and study materials for purchase can be found at [www.nationalgeographic.com/geobee/](http://www.nationalgeographic.com/geobee/). There is also a very fun GeoBee Challenge App available for iPad, iPod touch, and other mobile devices that students can use to quiz themselves.
