

Healthier Schools

BCS was honored by Michigan Surgeon General Kimberlydawn Wisdom and Michigan Action for Healthy Kids as a 2008 third place School of Outstanding Achievement in the Michigan Healthy School Environment Recognition Program for working to provide healthy food and opportunities for students and staff to be physically active.

Please note that the second woman from the left, in the top row, is Carolyn Thomas accepting the award for BCS.

Carolyn, who is on our Wellness Committee, attended the Michigan Healthy Schools conference in Traverse City last week.

David Andrejko, from Sodexo, and Norman McGarry, the business manager for BPS, also attended the conference.

We sincerely thank them for their time and commitment to making Birmingham Public Schools a healthier place to be!!
