PRESENTS

**Journalism Conference**

for Junior High and Middle School students

**Field Trip Permission Form**

Dear Seventh and Eighth Grade Publications Students and Parents,

This year's Journalism Day will give us (BCS publication students and staff) cutting edge skills in how to design the best newspapers and yearbooks. From writing effective articles and photo captions to unique page design, we will harness techniques to be used as soon as we return. Students and staff may choose from several journalism workshops presented by professionals in every area of publication design.

The cost is \$8 and includes admission to workshops and bus travel fare. We will depart at 7:00 A.M. and arrive in Lansing between 8:30 and 9:00 A.M.

**Students must bring money for lunch at the International Center.**
